**Re: Climate Change (State Action) Bill 2008**

We enclose here, our submission in accordance with the invitation issued by Premier David Bartlett on 1 June 2008.

The State Government is to be congratulated on the drafting of this Bill. Although we thank you for this opportunity to make a submission, we are concerned that the public have only been given 2 weeks to make comment on what is a very important piece of new State legislation.

Yours faithfully,

*Kelvin Jowett*

Senior Vice-President
